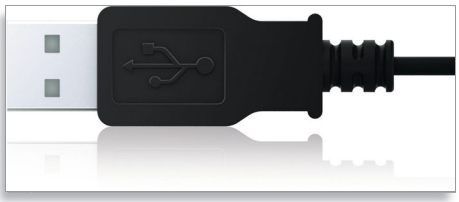
Highlights

USB plug for power and play



With plug-and-play convenience, the USB cable plugs directly into any USB port and your notebook automatically recognises this as a removable USB mass storage device.

We're perfect for Skype

Perfect for Skype with a built-in mic, these speakers let you enjoy the freedom of not wearing your headset for the ultimate hands-free Skype experience. No need for a battery or adapter, simply plug the single USB cable directly into any USB port and your computer automatically recognises this as a removable USB mass storage device. MAC and PC compatible.
